PRIVATE AND CONFIDENTIAL TO THE PARTIES NAMED ONLY

Without prejudice.

Dear Chief Constable Of Cheshire,

1. My 11 yr daughter Aurora returned from a day at mum's house. Aurora told me she was asked by her mum what was concerning her. My daughter replied to her that she was concerned that Ken Redman had ever been in her life, and that she was disgusted that he had groped at her (Aurora). Mum replied 'ok', and that was it.
2. I have reported before about this, and Aurora wants to talk to the police.
3. Aurora's mum has tried to pervert the course of justice.
4. Andrea Blears of EPSS is also guilty of trying to pervert the course of justice by pretending to carry out an investigation. Andrea Blears has blatantly shown her personal preferences and prejudice towards Mrs Dobbie and Ken Redman ahead of the children. Andrea has put her own personal likes of Mrs Dobbie, and dislike of Mr Dobbie, before the integrity of her professional status.
5. I request that the sexual assault and emotional abuses on Aurora Dobbie be investigated properly so that my child can be safe from further sexual approaches from this man.
6. I also ask that the physical assault on my little boy Orion is investigated correctly and professionally.

If you cannot, or will not do this, can you please tell me why and tell me what you consider the proper action or protocol to take to protect my child.

Best regards,
Tom Dobbie
