Dear Mr Robinson,

This is a formal complaint about your local authority.

You have authorised your LA to take to me to court around 22 times in two years.

In most of the cases, what the local authority has said has been rejected by the Judges. In many cases the Judges have had to ask why we were all in court, or in some cases gave extended criticism of the LA.

Your local authority has written numerous absurd things about me as well as reporting deliberate malicious lies against me in a very well documented trail.

Recent examples are last week's issuing of imprisonment documents on me by an illegal locum LA court and the malicious lies of Helen Jones reported about what my son had reportedly written about me.

Excluding the dreadful treatment to my children, you have grossly violated my human rights as well as slandering me and torturing me by your ongoing intense harassment.

I ask that you immediately cease and desist from these criminal activities for legal reasons and my own health reasons.

Your sincerely,

Tom Dobbie
