---	--

26th March 2013: TH Judge Barnett.

Your honour, I wish to inform you that your court has been perjured.

I have only just been given a copy of your court order stamped 4th Feb 2013 of which I copy the first page below.

1. In this order made in your court, Mrs Dobbie states that she :-
“admits shouting and screaming and on **one occasion smacking Aurora**”.
2. Social services original report by Caroline Harley – due to its large file size is being sent to you by separate email and hardcopy in the post shows significant harm to the children with frequent smacking and screaming and shouting from mum.
3. CAFCASS conducted an interview with Aurora and I copy one relevant page in which my daughter Aurora Nisha Dobbie reports to Rachael Farrington Jones :-
“**Every time Mum hit me**, Dad was very defensive of me and Orion. One time when mum was giving Orion a punishment she was stopping Dad getting in and she told me to F off. One time she held me to the floor and spat in my face”

Aurora explains in another document that mum’s punishment of Orion referred above as a serious amount of smacking. I was also witness to this.

I had recently made an official complaint to CAFCASS that Alan Rawlinson was negligent. CAFCASS replied ‘Mr Rawlinson states he has always taken seriously the **POSSIBILITY** that Mrs Dobbie **MAY** have harmed the children”.

It shows Mr Rawlinson has proceeded through his last year in this case without reading the previous CAFCASS report of RFJ, or even the original social services report. He has been giving the benefit of doubt to Mrs Dobbie’s violence based on negligence. He

has given her credence believing she has not lied to the courts and social services for two years.

My daughter was assaulted by her mother dragging a toothbrush across her face in a fight with Aurora 3 weeks ago. It happened in the high stress time in the morning – completely in line with historical records of the violence. Aurora and Orion were being dropped off very late for contact by mum. As a result of mum's returning to the bad old days, Aurora was adamant she was not going back and I informed the police. Social services forced Aurora going back with police in attendance and just like the bad old times Aurora entered a 'fit' brought on by high stress.

Helen Jones recorded that Mr Dobbie was to blame as Aurora was merely having a tantrum. Helen wasn't in attendance and Helen is pushing that Aurora was never really hit by mum and so has no reason to be terrified at times of her mother.

My children are being abused and Helen Jones is covering things up to keep mum looking good and dad looking bad. This is nasty, malicious and criminal.

I have created a detailed timeline document both for the police and for the courts. It shows Mr Dobbie and social services working together very cooperatively up to the point where Mrs Dobbie assaulted Orion and reported Mr Dobbie as assaulting her. From this point onwards it is very distinct that social services treat Mr Dobbie with prejudice and malice, they even told me I could not expect to be treated the same as I had assaulted my wife and children – documented.

I wish to bring to your attention, that the 'war' social services have waged on me for over two years has been over this issue of did, or did not Mrs Dobbie cause significant harm to the children. They have said I was uncooperative and taken me to court frequently for not rubber stamping Mrs Dobbie as not having hit the children. I have been demonstrably slandered and criminally harassed for two years by social workers from Ellesmere Port. Their incessant harassment of me has destroyed the family business (circa £300,000) that was the financial security for the children.

Social services wrote the original report and had copies of the CAFCASS report but pushed for no judicial enquiry as it showed they have perjured the court also.

I am currently writing detailed documents for both the police (IPCC and PSD) and court. The MP Andrew Millar has asked the Chief Executive Of Cheshire West to Explain the expenditure of ~£500,000 and trying to imprison people.

UPON HEARING Counsel for the Local Authority, Counsel for the Mother, Counsel for the Father and the Solicitor for the child.

AND UPON IT BEING RECORDED THAT

1. Father attended Court today with a DVD of Aurora's Blog. Father asserts that Aurora has not used her Blog since unsupervised contact with her has been re-instated this year.
 2. Father continues to make inappropriate postings on face book but assured the Court today that he would deactivate the account forthwith.
 3. The Court warned Father about the consequences of continuing to breach the injunction order made the 5th of November 2012.
 4. The Local Authority intends to monitor the situation and take appropriate enforcement action if Father continues to breach the injunction order.
- Father does not pursue a fact finding hearing in the light of the following:
- (i) By Mother's own admission she has struggled in the past (2009) to cope with the children and admits shouting and screaming and on one occasion smacking Aurora.
 - (ii) Mother accepts that in hindsight that a) the children were not ready to be introduced to Ken Redman and they resented his over-familiar manner initially and b) Aurora overheard a conversation between Mother and Mr. Redman where Mr. Redman was heard to with reference to Father that "it's baseball bat time".
 - (iii) Mother accepts that there was an incident in November 2011 when a child age 9 visited the family home while the children were in Mother's care and the child behaved in a sexually inappropriate way.
6. Mother and Father indicated that they did not want to call any witnesses other than Helen Jones (Social Worker) and the Guardian.
 7. Contact between the Father and the children will be continuously reviewed and is proposed at 1x weekly between 8am-6pm and unsupervised.

16. Aurora and I went on to talk about where she feels safe. Aurora said "Being at Dad's" made her feel safe. I asked if there was anywhere she did not feel safe. Aurora said "Being at Avril's, Mum's". I asked Aurora whether she called her Mum Avril. Aurora said "I just don't want her to be my Mum because I don't want Ken to be my Step-Dad. If Avril said that Ken was going to be my Step-Dad I'd get a kitchen knife and slit my throat, kill myself. Or I'd pack up my and Orion's things and run away to Dad's house".

17. I asked Aurora if there was a big decision that the Judge could make for her. Aurora said "I want to live at Dad's because he's a much better parent. Loads of people have said he's the bad one but he's the best". I asked Aurora who had said that he Dad was "the bad one". Aurora said "Dad. But I'm not sure I'm supposed to tell you that. But I know because I was with Mum and Mum told me, she told everyone at school that Dad was mean and that this young boy and girl needed to be saved". I asked if that meant her and her brother. Aurora nodded. I asked her if there was anything else she wanted to tell me. Aurora shook her head. I asked if she wanted any contact with her Mum. Aurora said "I do. But I want to see her when she has improved her behaviour and when she's not lying and without Ken". I asked if there was anything else she wanted to say. She replied, "Just so you know Orion lies sometimes. So he might give the wrong answers". I asked if she felt there were right answers to my questions and she nodded. I asked who she felt would know what the right answers were and she shrugged. I asked if she did see her Mum where would it be. Aurora said "Dad said I could see her in a park and I want someone to be there in case she tries to take me back home". I asked who that would be and she said "Dad, I don't know, someone, the childminder, no, not the childminder, Dad". I asked if there was anything else she felt I needed to know. Aurora said "there is but I'm not sure I'm supposed to tell you. Mum will never marry Ken. Daddy and Mummy are cousins. I don't think they'll get married because Ken and Daddy don't want to be related". She went on to say "Every time Mum hit me, Dad was very defensive of me and Orion. One time when Mum was giving Orion a punishment she was stopping Dad getting in and she told me to F off. One time she held me to the floor and spat in my face. It's like she's got a mental problem". I asked who thought that her Mother had a mental problem to which Aurora responded "me".
