## Complaint to the Local Authority Addendum CH16 v1

Dear Sir/ Madam.

This is an addendum to the complaint submitted on 8<sup>th</sup> April 2013.

The document CHRONOLOGY No1 submitted by the social worker Helen Jones is an act of perjury of the high court in Chester. It is deliberate in its design to make Mr Dobbie look very bad and Mrs Dobbie look very good – contrary to copious evidence. It also contains errors in reported events. It even contains one item that fully contradicts another item about the same subject in her main submission.

Social workers are bound by a code of ethics to treat their clients with respect and to competently report their findings. Helen Jones has broken the code of ethics required by social workers and created a document that simply a highly prejudiced version of events. It is totally unbalanced, and covers up a serious sexual assault of Aurora Nisha Dobbie as well as totally avoiding Mrs Dobbie's early history as reported by social services themselves.

She can have no claim to ignorance as she cites reports which are clearly linked to the previous reports.

Yours Faithfully,

Tom Dobbie,
