Dear Mr Dobbie

**False allegations and abusive remarks
Cheshire West and Chester Council & others -v- Yourself
High Court of Justice, Queen's Bench Division, Manchester District Registry**

Despite our letter to you of 4th August 2015 it is evident that your campaign of harassment against Councillors, officers and employees of the Council continues unabated.

Your actions and activities are oppressive and unlawful and your campaign continues despite your having provided no evidence in support of your defamatory allegations.

Please take notice that the Council is currently in the process of preparing, and will shortly be lodging in the High Court, a civil claim for injunctive relief under the Protection from Harassment Act 1997 seeking an order of the Court to prohibit you from harassment. This will be served upon you in due course.

Yours sincerely

John Richardson
