

Dear Judge Barnett

I have told Helen this but I don't think she really cares so I wanna tell you that when I was at my mums house her friend liz came over me my friend and liz's boy thomas went upstairs he scared me and my friend mya up onto my bunk bed then pulled his pants down me and mya hid under the covers but he pulled the duvet back and my pants with it he jumped on top of me and started trying to have sex with me I tried to push him off but he bit me so mya slapped him on the face and he rolled off the bunkbed I ran down stairs shouting "he raped me thomas raped me mum help" liz left and so did mya her ~~dad~~ dad phoned the police when I tried to talk to mum about it she didn't make a big deal about it because of the things thomas has done to me before like trying to snog me and tryin to look down my pants when I told dad he was appalled he told me never to see that boy again
