

To whom it may concern,

My name is Graham Dean.

My address is -

I am the older brother of Aurora and Orion Dobbie. I witnessed more accounts than I can bear to recall of both Aurora and Orion being abused, both physically and mentally by their mother Avril Dobbie.

I attended two criminal court cases where Judges ruled that Avril had attacked the children and Tom Dobbie. Tom had defended my brother Orion from yet another attack by Avril Dobbie.

Many abusive events that have happened to my brother and sister have been reported to social services and police who seem to be ignoring it all.

It is very disturbing that Aurora has now been totally isolated. She has been prevented from seeing me and many of her friends and extended family by Avril Dobbie. We all know that Avril is doing this as an act of malice, self protection and to get cash for child allowances. It is in no way in the interest of Aurora and Orion to be isolated and under strict control of their abusers.

I understand that my overriding duty is to the court and I have complied with, and will continue to comply with, that duty.

All of my statements, on paper and on video here are true to the best of my knowledge and belief, and I know that if it is introduced in evidence then it would be an offence wilfully to have stated in it anything that I knew to be false or did not believe to be true.

Yours truly,
