

To whom it may concern,

My name is Thomas William Dobbie.
My prison (enforced address) is -
5 Dale Mews, Gawsworth Road, Great Sutton,
Ellesmere Port, Cheshire, CH66 3TE
18th Jan 2016.

I am the father of Aurora Nisha Dobbie and Orion Nova Dobbie and Graham Anthony Dean.

My children and I have been criminally abused by -
Catherine Avril Dobbie, Kenneth Redman, various officers of Cheshire Police
various public servants of Cheshire West and Chester council, various public
servants of CAFCASS Judge Barnett of Liverpool.

The authorities in Cheshire mentioned above have conspired individually and collectively to cover up child sexual abuses, child physical abuses, child emotional abuses. The above authorities entered a spiral of criminal and abusive acts in order to cover up what had started as negligence by Cheshire police.

Cheshire West and Chester council in their latest actions to cover up these crimes, have taken legal action against me to gag me from reporting these criminal acts. Their application is wholly based around their position that no abuses or criminal acts took place. This is against a background of extensive evidence. They have managed to keep my children in isolated abuse for more than 3 years now by simply ignoring the reported crimes.

Cheshire West and Chester chief executive, his cronies along with the top of Cheshire police are all FREEMASONS who have usurped the power of their offices and usurped the power of the local judiciary to ensure that they are not held accountable under English law.

Unlike the local authority, I have made no freemason vows that usurp the laws of England. As such, their oaths of truth to the court are demonstrably false. So why we are in the court is a mystery.

I understand that my overriding duty is to the court and I have complied with, and will continue to comply with, that duty.

All of my statements, on paper and on video here are true to the best of my knowledge and belief, and I know that if it is introduced in evidence then it would be an offence wilfully to have stated in it anything that I knew to be false or did not believe to be true.

Yours truly
